Routine servicing items including changing the oil and filters are all checked and if needed, replaced. Service Center: We recently opened up our new Parts & Service Center for servicing our cars that we are looking to sell, but also that our customers may be able to get their cars serviced as well. This is another part of trying to better control the inspection and reconditioning process for the cars we sell, by having our own service technicians, that we know and trust, doing the work on our vehicles. No Doc Fees: Mountain Motors does not have a doc fee. The price you see is the price you pay. Only applicable tag and state fees or taxes where you are registering the vehicle are added. We handle your DMV paperwork, so you do not have to go stand in line! Carfax: Feel free to click on the Carfax icon on our website for the vehicle you are looking at. It is a service we pay for so you don't have to and to provide as much information as possible to aid you in your purchasing decision. Thank
