The vehicle does have previous accident history involving a deer impact, which we disclose upfront. However, it retains its clean title with no rebuilt or salvage branding and remains under applicable Ford factory warranty coverage, subject to Ford's original warranty terms, mileage limits, and covered components. That's an important distinction for buyers looking at late-model vehicles in this price range. You can take advantage of pricing that reflects the disclosed accident history while still getting the benefits of a clean-title, one-owner 2026 vehicle with remaining factory warranty coverage. With its Agate Black exterior, 2.3L EcoBoost engine, 4WD, three-row versatility, Ford Connectivity Package, and extremely low mileage, this Explorer offers an excellent combination of value, technology, capability, and peace of mind. +P Be sure to check out our Facebook page to see how many happy customers we've helped!
