Dealer notes

Click [here](#) to view your video from Tim Vanzile Elevate your business operations with this pristine, Carfax 1-Owner 2025 Ram ProMaster Cargo Van Tradesman 2500 Low Roof 136" WB. Finished in a professional Bright White Clearcoat, this commercial workhorse is designed to deliver immediate value and a polished image to your fleet or mobile business. Featuring the highly practical configuration with a passenger seat, this van ensures you and a co-worker can travel comfortably to any job site. As a verified one-owner vehicle, it represents a secure, high-quality investment that is ready to hit the ground running and streamline your daily operations. Engineered for peak utility and reliable performance, this 2025 Ram ProMaster Cargo Van is powered by a robust 3.6L 6-cylinder engine that effortlessly balances hauling power with everyday efficiency. The 136" wheelbase combined with the low roof configuration offers the perfect sweet spot of agile city maneuverability, easy parking garage access, and generous cargo volume. Inside, the working area is optimized by the durable Mopar cargo load floor, providing a flat and resilient surface for your tools and inventory. Additionally, the inclusion of the U-Haul equipment group enhances its towing and transport capabilities, making it an incredibly versatile asset for heavy-duty hauling. Inside the refined black cabin, you will find an environment designed for driver comfort, ease of use, and operational confidence. This Tradesman 2500 comes equipped with the Premium Convenience Group and the Cold Weather Group, ensuring a comfortable driving climate and driver-focused amenities regardless of seasonal shifts. Safety is paramount when on the clock, and the integrated Safety Group provides advanced peace of mind for both the driver and passenger. Whether you are expanding your commercial fleet or upgrading your independent service business, this highly capable 2025 Ram ProMaster Tradesman 2500 is the ultimate turnkey solution to drive your productivity forward.
