Dealer notes

The 2024 GMC HUMMER EV 3X redefines what an electric SUV can be, combining unmistakable presence, exhilarating performance and serious off-road capability in one extraordinary luxury supertruck. Its three-motor Ultium Drive system delivers a GM-estimated 830 horsepower, providing breathtaking acceleration and immediate electric torque. When properly equipped, Watts to Freedom launch mode can propel the HUMMER EV from 0–60 mph in approximately 3.5 seconds—remarkable performance for a vehicle of this size and capability. Advanced technologies such as four-wheel steering and CrabWalk further distinguish the 3X, providing impressive maneuverability both on the road and across challenging terrain. This CARFAX-certified, one-owner vehicle has no accidents or damage reported or detectable. Every exterior body panel has been professionally paint-metered and retains its original factory paint, further confirming the exceptional integrity of this remarkably well-preserved example. Finished in striking Meteorite Metallic, this HUMMER 3X left the factory with a desirable selection of equipment, including: Dual-Level Charging Cord Meteorite Metallic exterior paint Extreme Off-Road Package—a \$9,995 factory option Infinity Roof with removable transparent Sky Panels The highly sought-after Extreme Off-Road Package gives the HUMMER even greater capability and a more commanding appearance, while the Infinity Roof transforms the cabin into an unforgettable open-air driving environment whenever the occasion calls for it. This exceptional HUMMER has spent its entire pampered life in Austin, Texas, and San Diego, California—two favorable climates for vehicle preservation—and its outstanding condition clearly reflects the care it has received. For the buyer seeking a distinctive, highly optioned and impressively preserved HUMMER EV 3X with supercar-like acceleration and authentic off-road capability, this Meteorite Metallic example deserves serious consideration.
