Dealer notes

Beautiful Clean and Comfortable 2009 Ford Edge SEL with Only 129k Miles!!! This is an attractive mid-size crossover SUV that Looks Great and Drives Great! Powered by Ford's 3.5L V6, it cranks out 265hp, plenty to get around town and up and down the highway. According to Google search, a 2009 Ford Edge was found to be reliable and more comfortable than rivals of the same year, and can last many more miles with proper maintenance. This Ford Edge is spacious inside, and the front seats provide excellent support. It has a very comfortable ride that's also very quiet with low road noise. It handles well and is nimble for its' size. The White Suede paint is in very good condition, as is the Charcoal Black Interior Cloth Seats. This Ford Edge has a New Virginia State Inspection. This Edge is a pleasure to drive, the suspension is firm but comfortable, and the steering is tight and responsive! I personally really enjoy the comfortable quiet ride, smooth acceleration, and handling of this vehicle. Features include: A/C, AM / FM / CD Changer, Satellite Radio Capable (Sirius subscription not included), All Wheel Drive, Cruise Control, Daytime Running Lights, 18x7.5\" Painted Aluminum Wheels, Power Seat - Driver, Power Windows, Power Mirrors, Power Locks, Keyfob with Keyless Entry, Airbags, Side Airbags, Traction Control, and more!
