### Dealer notes

If you are searching for a highly versatile and stylish multi-passenger vehicle, this 2019 Ford Transit Passenger Wagon T-150 XLT is the perfect solution. Finished in a striking Blue Jeans exterior paint that stands out from standard fleet vans, this low-roof passenger wagon offers a sleek profile and excellent maneuverability. Boasting a 130-inch wheelbase and a low-roof configuration, it easily navigates tight city streets and parking garages while still providing generous space for everyone on board. Equipped with convenient swing-out right-hand doors, loading and unloading passengers or cargo is exceptionally effortless, making this the ultimate choice for families, shuttle services, or group transport. Under the hood, this 2019 Ford Transit Passenger Wagon is powered by a dependable 3.7L 6-cylinder engine, delivering the perfect balance of power and efficiency for everyday driving or highway cruising. This powertrain is E85 Flex-Fuel capable, giving you the versatility to choose alternative fuel options to suit your preferences. Paired with a 3.73 axle ratio, this T-150 configuration provides confident acceleration, solid capability, and smooth power delivery even when fully loaded with passengers. Whether you are navigating stop-and-go traffic or cruising on the interstate, the robust drivetrain ensures a refined and reliable driving experience. Inside, you will find a comfortable and inviting Pewter interior designed to keep all occupants relaxed on short commutes and long journeys alike. This well-equipped XLT trim is outfitted with practical features for added safety and convenience, including an integrated back-up alarm to alert pedestrians during reverse maneuvers. It also comes with two additional keys, giving you a total of four keys to easily manage fleet operations or share among multiple drivers. Ready to be registered anywhere in the country thanks to its 50-state emissions system, this 2019 Ford Transit Passenger Wagon T-150 represents the ideal blend of capability, utility, and modern passenger comfort.
