Dealer notes

2007 MERCEDES-BENZ E 63 AMG | 507 HP NATURALLY ASPIRATED V8 | AMG M156 ENGINE | BLACK ON BLACK Topline Auto Group is proud to present this exceptional 2007 Mercedes-Benz E 63 AMG Sedan, finished in timeless Black over a sophisticated Black leather interior. Representing one of the most celebrated eras of AMG performance, the W211-generation E 63 combines the refinement and luxury of the Mercedes-Benz E-Class with the exhilarating character of a high-revving, naturally aspirated AMG V8. At the heart of this remarkable performance sedan sits AMG's legendary 6.2-liter M156 naturally aspirated V8, producing 507 factory horsepower and 465 lb-ft of torque. Marketed by Mercedes-Benz as the 6.3-liter AMG V8, this extraordinary engine is renowned for its immediate throttle response, commanding exhaust note, and unmistakable performance character. Power is delivered to the rear wheels through an AMG SPEEDSHIFT 7-speed automatic transmission, providing responsive gear changes and an engaging driving experience. Unlike today's predominantly turbocharged performance sedans, the E 63 AMG delivers the unmistakable sound and linear power delivery of a large-displacement naturally aspirated V8, making it particularly appealing to enthusiasts who appreciate traditional AMG engineering. Finished in elegant Black, this example showcases the distinctive styling of the W211 E 63, including its aggressive AMG front fascia, sculpted bodywork, flared performance-inspired styling, quad exhaust outlets, and unmistakable Mercedes-Benz presence. Inside, the Black leather cabin offers the perfect balance of luxury and performance, featuring supportive AMG sport seating, premium interior materials, and a driver-focused cockpit. Comfort and convenience features advertised for this example include heated front seats, navigation, power sunroof, keyless entry, and memory seating. The E 63 AMG's sophisticated chassis, high-performance braking system, rear-wheel-drive configuration, and refined suspension engineering provide a unique combination of sports-sedan dynamics and long-distance grand touring comfort. With its iconic M156 V8 engine, exceptional factory performance, classic Black-on-Black configuration, and timeless AMG styling, this Mercedes-Benz E 63 represents a compelling opportunity to experience one of the most memorable naturally aspirated AMG sedans ever produced.
