Dealer notes

Take a look at our 2014 Jeep Wrangler Unlimited Rubicon 4X4 shown in a Black Clear Coat paint scheme. Fueled by a 3.6 Liter V6 that produces 285hp through rock-solid Dana axles and a 5 Speed Automatic transmission will allow you to carve your own path. This Four Wheel Drive SUV is amazing thanks to the locking differentials, Rock-Trac HD transfer case, and gas-charged shocks that help you beyond basic by offering 17-inch wheels. Real ground clearance is increasingly handy for the committed urbanite. Inside Rubicon, enjoy embroidered seats, power windows/locks, air conditioning, and special badging. Inside our Rubicon, if you get the urge to take an open-air cruise, remove the top, put on some shades, crank up the seven Alpine speaker sound system, and hit the road! Jeep offers a strong safety cage that surrounds you, multistage airbags protect you, and Hill-start and stability control help you along the way. Our Wrangler Unlimited Rubicon offers all of the legendary rock-climbing abilities of America's favorite off-roader, with a dose of comfort to go along for the ride!
