Dealer notes

Meet the charcoal 2016 Chevrolet Camaro coupe that knows how to have a good time even when you're just running errands. Under the hood sits a gasoline 3.6L V6, sending power to the rear wheels through an automatic transmission for that classic RWD, long-hood/short-deck Camaro attitude. Tap into Driver Selector Mode to match the mood (or the weather), and let the sport-tuned suspension and quick, variable-ratio electric steering keep every on-ramp interesting. Inside, the black leather cabin feels purpose-built: a flat-bottom, leather-wrapped steering wheel in your hands, supportive power-adjustable front seats, and a color Driver Information Center with compass to keep you pointed the right way. Dual-zone automatic climate control keeps both sides happy, while the Bose 7-speaker premium audio system handles the soundtrack. Practical touches are here too: capless fueling, a folding rear seat for extra cargo flexibility, power windows with express up/down, a universal garage door opener, and a power trunk release. Safety tech includes StabiliTrak with traction control and brake assist, a Rear Vision Camera, and a full airbag system. And for extra peace of mind, a CARFAX report is available for this Camaro.
