Dealer notes

Zoom Classic Cars presents this 1941 Chevrolet Master Deluxe 2 Door Sedan Restomod. Chevrolet's 1941 Master Deluxe represented the company's final full production year before World War II halted civilian automobile manufacturing, making these pre-war Chevrolets especially recognizable for their streamlined styling and chrome-rich design. Car features a Small-Block Chevrolet V8 coupled with an Automatic transmission with console shift for relaxed cruising and simple operation. Interior and Dash are from a Trans Am and includes bucket seats both front and rear. Car is wrapped in vibrant orange with custom wheels to give the car a sharp, contemporary look. This Master Deluxe combines iconic pre-war Chevrolet styling with modern comfort and drivability. The result is a unique custom that looks the part, sounds right, and is ready to be enjoyed immediately. Car is stored in VA with clean title in the Owner's name.
