Dealer notes

Ready to elevate your business operations or custom mobile project, this 2021 Ram ProMaster Cargo Van 2500 High Roof 159" WB combines immense cargo volume with a clean, professional aesthetic. Finished in a sharp Bright White Clearcoat exterior with a durable Black interior, this versatile workhorse is designed to serve as the ultimate mobile workstation, delivery vehicle, or high-capacity hauler. The sought-after High Roof configuration ensures ample standing room inside, making it an ideal choice for tradespeople, delivery professionals, and fleet operators who require maximum vertical space and effortless accessibility. Under the hood, this front-wheel-drive cargo van is powered by a dependable 3.6L 6-cylinder engine, delivering the reliable performance and maneuverability needed to navigate tight city streets and highway hauls alike. Capability is the cornerstone of this vehicle's design, anchored by its generous 159-inch wheelbase that provides a stable ride and massive cargo capacity. The rear cargo area is outfitted with a durable wood floor, offering a flat, protective surface to secure your gear and withstand daily wear and tear. For those requiring extra towing capability, this model comes equipped with a Class IV receiver hitch, allowing you to easily pull trailers or transport heavy equipment to the job site. On-the-job efficiency is further enhanced by a select group of premium convenience and safety features. The cabin is equipped with the convenience group and a Mopar remote start system, allowing you to pre-condition the vehicle's interior before stepping inside on hot or cold days. Navigating tight spaces and maintaining rear visibility when fully loaded is made safe and simple with the high-tech digital rearview mirror with autodim, which projects a clear view of what lies behind the vehicle. Whether you are expanding your commercial fleet or seeking the perfect platform for a custom upfit, this 2021 Ram ProMaster Cargo Van 2500 High Roof 159" WB is built to keep your business moving forward.
