Dealer notes

Step into a legendary piece of American automotive engineering with this 2008 Ford Police Interceptor 4dr Sdn w/3.27 Axle. Finished in a clean and commanding Vibrant White exterior with a contrasting Charcoal Black interior, this professional-grade sedan is built to handle demanding use with unwavering reliability. Whether you are looking for a highly capable daily driver, a robust security fleet addition, or a durable cruiser, this iconic four-door sedan offers the commanding road presence and heavy-duty construction that only a purpose-built vehicle can deliver. Under the hood, this 2008 Ford Police Interceptor is powered by a dependable 4.6L 8 Cylinders engine, delivering the robust performance and steady power delivery this platform is famous for. Coupled with the 3.27 axle ratio, it offers an optimal balance of acceleration and cruising efficiency. Designed to endure demanding operating conditions, this model comes equipped with heavy-duty silicone hoses w/aircraft clamps to ensure superior cooling system reliability under high-stress driving scenarios. In addition to its legendary powertrain, this sedan is outfitted with practical features tailored for utility, safety, and convenience. Inside the Charcoal Black cabin, occupants benefit from enhanced protection, including driver & front passenger side-impact airbags. This vehicle also features a functional trunk pack for organized cargo storage, a convenient police pwr pigtail for auxiliary power needs, and a pre-installed front license plate bracket. Built for longevity and ready for its next owner, this 2008 Ford Police Interceptor 4dr Sdn w/3.27 Axle stands as a testament to rugged, high-duty automotive design.
