Dealer notes

Elevate your daily drive with the eco-friendly sophistication of the 2023 Hyundai Kona Electric Limited FWD. Dressed in a sleek Galactic Gray exterior, this all-electric compact SUV perfectly blends modern style with zero-emission efficiency, making it an ideal choice for forward-thinking drivers. With its bold design and versatile urban footprint, this vehicle stands out on any road, offering a premium and environmentally conscious driving experience. Powered by an advanced electric powertrain, the 2023 Hyundai Kona Electric delivers responsive performance and seamless acceleration through its front-wheel-drive (FWD) system. This purely electric configuration offers a quiet, smooth ride that redefines commuter comfort while completely eliminating the need for traditional fuel. Equipped with Option Group 01, this model is built to deliver dependable utility and efficient performance, making it as capable on highway stretches as it is navigating busy city streets. Inside, the cabin welcomes you with a refined Black interior featuring premium black leather seat trim that balances sophisticated style with supportive comfort. As the premium Limited trim, this SUV ensures every journey is met with an upscale feel and thoughtful cabin ergonomics designed around the driver. The 2023 Hyundai Kona Electric Limited FWD in Galactic Gray represents the perfect intersection of modern electric capability and premium comfort, offering an exceptional opportunity for buyers ready to embrace the future of driving.
