Dealer notes

2012 Mazda 3 I Touring- The Mazda 3 is one of my favorite sedans. Great fuel economy and a very reliable car! This 3 has good miles and it runs and drives very well. Paint and body are overall average condition. The paint looks good, with light scratches and chips, but both rear quarter panels have small patches of rust right in front of the rear tires. Interior is overall in good condition, with light stains and one small burn in the drivers seat. An affordable car with good mileage. Not in perfect shape, but with no major damage. Great teen car or anyones daily driver gas saver! You are welcome to have a local mechanic inspect the vehicle prior to purchase. Some mechanical and cosmetic faults can be expected in a used vehicle. Buyer is responsible for any repairs. Buyer is responsible for verifying information and condition.
