Dealer notes

Freightliner Crew Cab Flatbed Rollback Tow Truck. Please read full description, This vehicle is an As-Is Sale. This two car carrier has the full four-door crew cab configuration and was a locally owned truck since new running a Jerddan 22 x 102 bed in excellent shape steel with aluminum blade rails. Air Ride rear suspension strobe light bar 22.5 alloy wheels stainless side steps, double toolboxes (we have replaced the handles since photos) (no straps needed now lol) freshly serviced, fluids and filters, new brakes and quite a bit of other upgrades just performed yes it does have a lot of miles but operates and performs as it should. Cummins turbo diesel engine. This truck is ready to put to work would be an excellent Car Lot vehicle or backup truck where caring for passengers is necessary. The only negative is this truck with a heavy load or aggressive driving will set a check light code for the transmission. Driven normal no issues to speak of. Our shop has gone over this truck closely and it even doesn't leak for a 400k cummins to be this dry underneath is very impressive to say the least. If you're viewing this on any platform other than davis4x4.com or davisautosales.com please go to those websites directly to view more photos and the most accurate information.
