Dealer notes

Experience the pinnacle of modern electric luxury with this stunning 2022 Tesla Model S AWD. Draped in a brilliant Pearl White Multi-Coat exterior, this flagship sedan commands attention with its sleek aerodynamic lines and sophisticated road presence. Inside, the refined Cream interior offers an inviting, futuristic sanctuary that perfectly complements the exterior's clean aesthetic. For discerning drivers looking to transition to sustainable luxury without compromising on style, this vehicle represents the absolute cutting edge of premium automotive design. Beneath its elegant silhouette lies a highly advanced dual-motor electric powertrain that delivers seamless, instantaneous acceleration. Featuring an intelligent All-Wheel Drive (AWD) system, this 2022 Tesla Model S provides exceptional traction, stability, and handling in a variety of road and weather conditions. Because it utilizes a 100% electric platform, drivers will enjoy an incredibly quiet ride, remarkable efficiency, and a low center of gravity that makes every highway merge or winding road an absolute thrill to navigate. Step inside the cabin to experience the unmatched comfort of the premium Cream interior, designed with meticulous attention to detail. The minimalist cabin centers around Tesla's signature high-resolution touchscreen display, offering intuitive control over navigation, climate, and media, while the expansive glass roof allows natural light to flood the cabin for an open, airy feel. With its spacious seating and advanced cargo versatility, this sedan is as practical as it is luxurious.
