Dealer notes

Thank you for your interest in one of Mountain Motors LLC's online offerings. Please continue for more information regarding this 2016 Ford Focus S with 103,384mi. Exceptional in every sense of the word, this incredibly low mileage vehicle is one of a kind. You can finally stop searching... You've found the one you've been looking for. Just what you've been looking for. With quality in mind, this vehicle is the perfect addition to take home. More information about the 2016 Ford Focus: The Ford Focus is a small car that offers a number of features otherwise seen in larger or more luxurious vehicles. For instance, the Focus is the first vehicle in its class to offer Active Park Assist, which can actually guide and steer the car into a parking space if the driver moderates speed with the brake. It's also the first small car to offer Ford's MyFord Touch system, which relies on a sophisticated touch-screen system and has advanced voice-command features and can even provide Wi-Fi for the car and the area surrounding. Technology aside, the new Focus stands out from the class for its excellent handling and poise, sporty driving feel and impressive fuel economy. Interesting features of this model are low price of entry, fully electric variant available, Wide range of configurations from fuel efficient to high performance, and strong value even in base trim
