Dealer notes

Experience the perfect blend of modern efficiency and striking design with this stunning 2023 Tesla Model Y Long Range AWD. Finished in an elegant Pearl White Multi-Coat exterior that beautifully complements its sophisticated Black interior, this all-electric SUV represents the cutting edge of sustainable family transport. As one of the most sought-after electric vehicles on the market, it offers the ideal balance of versatility, advanced technology, and eco-friendly driving that today's discerning buyers demand. Engineered for all-weather confidence and spirited driving, the 2023 Tesla Model Y Long Range AWD utilizes a sophisticated dual-motor All-Wheel Drive system. This electric drivetrain delivers instant torque and seamless acceleration, providing a responsive and sure-footed ride whether you are navigating wet city streets or cruising on the open highway. With its battery pack positioned low in the chassis, this SUV offers exceptional stability, precise handling, and the impressive driving range that defines the Long Range designation, ensuring you can travel farther with ultimate peace of mind. Step inside the premium Black interior to discover a minimalist cabin designed around passenger comfort and modern utility. The 2023 Tesla Model Y Long Range AWD features an expansive glass roof that floods the cabin with natural light, alongside a generous cargo area with versatile folding seats to accommodate all your gear. Centered around Tesla's signature high-definition touchscreen interface, this vehicle seamlessly integrates navigation, entertainment, and intuitive vehicle controls at your fingertips. Do not miss the opportunity to elevate your daily drive with this exceptional, futuristic, and highly capable all-electric SUV.
