Dealer notes

Carfax certified three-owner vehicle with no accidents or damage reported or detectable, backed by a strong documented service history. The 100-Series Toyota Land Cruiser marked a major evolution for the Land Cruiser platform, blending Toyota's legendary durability with a more refined and luxurious driving experience. It was also the first Land Cruiser generation to feature the highly respected 2UZ-FE 4.7L V8 engine, widely regarded for its exceptional reliability and long service life when properly maintained. Known around the world for their durability, longevity, and go-anywhere capability, the 100-Series Land Cruiser remains one of the most sought-after full-size SUVs ever built. Maintenance is straightforward, parts availability is excellent, and nearly any qualified shop can service them with ease. According to Kelley Blue Book, owners of this generation Land Cruiser consistently rate them among the best vehicles Toyota has ever produced. The 2001 Toyota Land Cruiser came exceptionally well-equipped from the factory, featuring a 4.7-liter V8 producing 230 horsepower, a smooth-shifting automatic transmission, and full-time four-wheel drive. Combining rugged off-road capability with luxury-level comfort, spacious seating, and impressive cargo capacity, these SUVs have become favorites among outdoor enthusiasts, collectors, and families alike. This particular example has undergone an extensive mechanical and cosmetic refresh by our team at Supreme Motors to ensure it presents and drives exceptionally well. Recent work completed includes: Comprehensive maintenance service including new spark plugs, fresh oil service, brake fluid flush, and fluid top-offs Replacement of the serpentine belt and tensioners New battery installation Extensive underside corrosion remediation followed by a factory-style protective undercoating for long-term preservation Replacement of A/C lines and full air conditioning system service New front and rear brake calipers, rotors, and brake pads Replacement rear door handle Cosmetic refinishing and repainting of select exterior components to restore a fresher appearance Professionally refinished wheels Interior leather restoration and re-dye service The result is a beautifully sorted and exceptionally well-presented Land Cruiser that is ready for its next owner to enjoy for years to come. If you've been searching for a properly prepared 100-Series Land Cruiser, this is one you'll absolutely want to see in person.
