HONEST TRANSPORTATION - NEW ARRIVAL: 2015 Toyota Prius. Southern-owned and proof that Toyota hybrids earned their reputation. With over 300k miles, this Prius isn't winning any beauty contests-but it runs excellent, drives exactly as it should, and keeps doing what Priuses are famous for: reliably getting people where they need to go while barely sipping fuel. If you're looking for affordable, dependable transportation instead of a shiny driveway ornament, this Prius deserves a look. It's an honest car with a proven drivetrain that's already shown exactly what it's capable of. Beauty fades. Proven doesn't. *New Arrival price may adjust with our investment in repairs and maintenance.. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle.
