Dealer notes

Elevate your daily drive with this pristine, Carfax 1-Owner 2023 Tesla Model Y Long Range AWD. Finished in a sophisticated Midnight Silver Metallic exterior that perfectly complements its sleek, aerodynamic silhouette, this highly sought-after electric SUV commands attention on every road. Inside, you are welcomed by a premium Black interior that defines contemporary minimalist luxury, offering a clean, modern, and serene environment for both the driver and passengers. Buying a certified single-owner vehicle provides incredible peace of mind, making this exceptionally maintained electric crossover an outstanding choice for discerning buyers looking to transition to sustainable luxury. Built on Tesla's advanced electric platform, this 2023 Tesla Model Y Long Range AWD utilizes dual independent electric motors to digitally control torque to both the front and rear wheels. This sophisticated All Wheel Drive drivetrain configuration delivers exceptional traction, stability, and responsive handling in all weather conditions, ensuring a confident and composed drive. As a pure electric vehicle, it offers instantaneous acceleration alongside the impressive utility and cargo versatility that has made the Model Y a class leader, proving that high-efficiency driving does not require compromising on everyday capability. Step inside the cabin to experience a seamless blend of passenger comfort and cutting-edge digital integration. The interior centers around Tesla's signature expansive central touchscreen interface, which puts navigation, climate controls, and vehicle settings right at your fingertips. With its spacious seating layout, ample legroom, and generous cargo capacity, this versatile crossover is designed to accommodate your active lifestyle with ease. Do not miss the opportunity to own this highly desirable, single-owner 2023 Tesla Model Y Long Range AWD—a perfect combination of progressive design, electric efficiency, and premium comfort.
