Dealer notes

2020 Vision 3 Car Hauler Gooseneck Trailer. This trailer features dual tandem axles with all matching Load Range G 14-ply tires, recently replaced and in excellent condition. Offering approximately 46 feet of total deck space with a 3-foot overhang, flip-out rear ramps, aluminum loading ramps, dual landing gear, a storage toolbox, and a Pierce winch (which we have not tested). The trailer can also be configured for either a gooseneck or fifth-wheel connection. This unit was previously owned and used by a car dealership to transport its own inventory, so it was not subjected to daily commercial hauling use. There is a lot of trailer here for the money! Perfect for hauling side-by-sides, race cars, and a variety of other equipment. It can comfortably accommodate 4ÿý"5 side-by-sides (SXS) without a problem. Price does not include $0 processing fee
