Dealer notes

Click here to view your video from Tim Vanzile Built for professionals who demand organization, efficiency, and reliability, this 2025 Ram ProMaster 2500 Tradesman High Roof Cargo Van is equipped with a premium DECKED slide-out storage and cargo management system, making it an outstanding choice for contractors, electricians, plumbers, HVAC technicians, mobile service fleets, and delivery operations. The 159-inch wheelbase and high roof design provide generous cargo capacity with the ability to comfortably stand while working inside the van. The professionally installed DECKED storage system features durable slide-out drawers and an elevated cargo deck, allowing you to securely organize tools, equipment, and supplies while maximizing usable cargo space. Powered by a dependable 3.6L Pentastar® V6 engine paired with a smooth-shifting automatic transmission, the ProMaster delivers confident performance, impressive maneuverability, and front-wheel drive traction that's ideal for both city streets and job sites. Designed with productivity in mind, the Tradesman trim offers a practical, comfortable cabin with modern technology and safety features to keep you connected throughout the workday. Key Features 159" Wheelbase High Roof Cargo Van 3.6L Pentastar® V6 Engine Automatic Transmission Front-Wheel Drive DECKED Slide-Out Storage & Cargo Management System Heavy-duty locking storage drawers Elevated cargo deck for additional storage capacity Spacious high-roof cargo area with stand-up interior height Wide-opening rear cargo doors Sliding passenger-side cargo door Backup Camera Uconnect® Infotainment System with Touchscreen Display Bluetooth® Hands-Free Connectivity Air Conditioning Power Windows & Locks Cruise Control Multiple cargo tie-down points Ideal for commercial fleets, contractors, and service professionals Whether you're expanding your fleet or upgrading your mobile workspace, this 2025 Ram ProMaster 2500 is work-ready and equipped to help you stay organized and productive from the first job to the last. The premium DECKED storage system transforms the cargo area into an efficient mobile workshop, keeping your tools secure, accessible, and organized while leaving plenty of room for equipment and materials.
