Dealer notes

This 1985 Chevrolet Corvette is finished in two-tone Light and Medium Blue Metallic with a Medium Blue leather interior. It is riding on its stock 16" alloy wheels and looks great. This Corvette has been well cared for and has a clean Carfax report. The paint has a good luster with no fading. Any imperfection in the paint finish is invisible to the naked eye. Under the hood is a 5.7L (350 CID) Tuned Port Injection V8 with a 4-speed automatic overdrive transmission. It has a pleasant exhaust note, and the automatic transmission shifts smoothly on the road. The inside will bring you to the heyday of 1980s technology with a properly working digital display cluster. Other interior features include real wood decor. The seats have been reupholstered, and the carpet is new. The dashpad is in good shape. Other options include p. window, p. locks, p. mirrors, electronic hatch glass popper, heat and cold A/C, and a JVC AM/FM CD with BOSE Speakers. The removable top can come off by loosening four bolts. This Vette will also include the build sheet and the original window sticker. With C4s rising in popularity, this is a Corvette you don't want to overlook. This 1985 Corvette is fun to drive!
