Interior colour: Caramel
Body type: Hatchback
Fuel economy: — city / — highway MPG
Dealer: Ellectra Motors, Redondo Beach, CA 90277
Dealer phone: 714-288-4260

Dealer notes

The 2016 Lexus CT 200h Hatchback 4D is a premium compact hybrid that serves as the entry-level gateway to the Lexus brand. Known essentially as a luxury version of the third-generation Toyota Prius, it combines a highly reliable, eco-friendly powertrain with the upscale styling, sharper handling, and refined cabin expected of a luxury vehicle. Performance & Fuel Economy Powertrain: Features a 1.8-liter 4-cylinder engine paired with two electric motor/generators and a nickel-metal hydride battery pack. Horsepower: Generates a total system output of 134 horsepower. Transmission: Uses an electronically controlled continuously variable automatic transmission (eCVT) routing power to the front wheels. Acceleration: Prioritizes efficiency over raw power, accelerating from 0 to 60 mph in a slow 10.5 seconds. Fuel Efficiency: Achieves exceptional fuel economy with an EPA-estimated 42 mpg combined (43 city / 40 highway). Drive Modes: Includes a Drive Mode Select knob allowing drivers to switch between Normal, ECO, EV (all-electric at low speeds), and Sport mode?which stiffens handling and changes the left gauge into a tachometer. Interior, Comfort & Technology Standard Features: Equipped with premium amenities like NuLuxe synthetic leather upholstery, a 10-way power driver's seat, dual-zone automatic climate control, SmartAccess keyless entry with push-button start, and a leather-wrapped steering wheel. Connectivity: Features Bluetooth wireless technology, a USB port, auxiliary inputs, and SiriusXM satellite radio. Cabin Space: Front occupants enjoy a low, sporty, and comfortable seating position. However, the backseat is notably cramped, with limited legroom for adults. Cargo Capacity: Offers a hatchback layout with a 60/40-split fold-down rear seat. The cargo area is relatively small for a hatchback, providing 14.3 cubic feet of space behind the rear seats www.ellectramotors.com @Ellectra_Motors Ellectra Motors 224 E 1St Street Santa Ana, CA 92701 Sales: 951.900.1614 Service: 714.288.4259
