Dealer notes

Elevate your daily drive and weekend adventures with the stunning 2024 GMC Sierra 1500 4WD Crew Cab 147" Elevation. Draped in a sophisticated Sterling Metallic exterior, this light-duty pickup truck perfectly blends rugged capability with modern, head-turning style. Inside, the refined Jet Black interior offers a premium cabin experience designed for both comfort and utility. Whether you are navigating challenging job sites or heading out on a road trip, this highly configured truck delivers the commanding presence and premium aesthetic that discerning truck buyers demand. Under the hood, the 2024 GMC Sierra 1500 Elevation is powered by a robust 5.3L 8 Cylinder engine, delivering the dependable horsepower and torque required for confident hauling and towing. Paired with a rugged Four Wheel Drive (4WD) system, this truck is engineered to tackle diverse terrains and adverse weather conditions with ease. Power is matched by outstanding utility, featuring an integrated trailer brake controller for seamless towing control, an engine block heater to ensure reliable starts in freezing temperatures, and a durable spray-on bedliner that protects the cargo box from wear and tear. Inside the spacious Crew Cab, passengers will enjoy exceptional roominess, highlighted by comfortable front bucket seats that provide excellent support during long drives. This model also comes equipped with the highly desirable Preferred Package, adding a host of convenient features designed to elevate your overall driving experience. Combining muscle, technology, and refined styling, this 2024 GMC Sierra 1500 4WD Crew Cab 147" Elevation in Sterling Metallic is the ultimate choice for buyers who refuse to compromise on power, utility, or comfort.
