### Dealer notes

Discover the perfect blend of modern electric efficiency and head-turning style with this stunning 2023 Chevrolet Bolt EUV FWD 4dr LT. Dressed in a crisp Summit White exterior, this all-electric crossover offers a sleek and sophisticated presence on the road. Designed for drivers who demand a forward-thinking driving experience without sacrificing versatility, this vehicle represents the next generation of daily commuting and smart utility. Engineered with a responsive front-wheel-drive (FWD) system, this electric vehicle delivers smooth handling and dependable traction for your daily journeys. As a Fleet Special Service Vehicle, this model is built to offer outstanding utility and reliable operation, making it an exceptional choice for both demanding professional applications and practical everyday drivers alike. Its advanced all-electric powertrain completely eliminates gas stops, ensuring an efficient, quiet, and emission-free ride every time you hit the road. Inside, you are welcomed by a refined Jet Black interior that prioritizes cabin satisfaction through the integration of both the comfort package and the convenience package. Peace of mind is also front and center thanks to the driver confidence package, which adds valuable driver-assist features to your daily commute. On the outside, the clean styling is boldly complemented by the eye-catching LPO carbon flash wheel inserts, making this 2023 Chevrolet Bolt EUV as visually striking as it is technologically advanced.
