Dealer notes

Command the road with the stunning 2024 GMC Sierra 1500 4WD Crew Cab 147" Elevation, a premium light-duty pickup designed to deliver an unmatched blend of sophisticated style and rugged capability. Draped in a striking Onyx Black exterior and paired with a refined Jet Black interior, this truck makes a powerful first impression whether you are on the job site or heading out for a night on the town. The spacious Crew Cab configuration ensures ample room for passengers and gear alike, making this versatile vehicle the perfect choice for buyers demanding both everyday utility and standout curb appeal. Under the hood, the heart of this 2024 GMC Sierra 1500 is a potent 5.3L 8-cylinder engine, providing the robust horsepower and torque necessary for confident towing, hauling, and highway cruising. Power is seamlessly distributed to all four wheels via an advanced Four Wheel Drive system, working in perfect harmony with the highly capable X31 Off-Road Package to conquer challenging terrain and unpredictable weather conditions. Ready to work, this truck also features an integrated trailer brake controller, giving you precise command and peace of mind when pulling heavy trailers, campers, or equipment. Inside, the cabin prioritizes comfort and durability, featuring supportive front bucket seats that elevate your driving experience on long journeys. The interior is protected by LPO all-weather floor liners across both the first and second rows, ensuring your floors stay pristine against mud, snow, and debris. Elevating its bold styling even further, the LPO Elevation Black Package adds distinctive, dark-out styling cues that perfectly complement the truck's aggressive stance. Don't miss your chance to own a vehicle that effortlessly bridges the gap between premium refinement and hardworking utility—this 2024 GMC Sierra 1500 Elevation is ready for your next adventure.
