Dealer notes

The 2007 Dodge Magnum R/T AWD is a distinctive performance wagon that combines HEMI V8 power, all-wheel drive confidence, and the versatility of a spacious long-roof design. Powered by a 5.7-liter V8 engine producing 340 horsepower and 390 lb-ft of torque, this Magnum delivers strong acceleration and a muscular driving feel while still remaining practical for everyday use. Paired with an automatic transmission and all-wheel drive, it offers confident traction and composed road manners in a variety of driving conditions. With 163,902 miles, this Magnum continues to offer the bold performance and unique personality that have made the R/T models increasingly appealing to enthusiasts. The R/T trim gives this Magnum a more aggressive and performance-focused character, while the wagon body style provides generous passenger room and useful cargo space. Its combination of classic Dodge styling, strong V8 power, and all-wheel drive makes it stand out from more conventional sedans and SUVs. For drivers looking for something practical, powerful, and different, the 2007 Dodge Magnum R/T AWD is a unique and versatile choice with plenty of character.
