Dealer notes

Build your business on a proven foundation with this 2015 Chevrolet Express Commercial Cutaway 4500 Van 159". Finished in classic Summit White, this heavy-duty commercial chassis offers the ultimate versatile platform for your customized upfit needs, whether you are expanding a fleet of box trucks, service vehicles, or specialized utility vans. Engineered to handle the demanding requirements of daily commercial use, the Express 4500 combines rugged construction with Chevrolet's trusted commercial dependability, making it an indispensable asset for business owners and fleet managers seeking long-term utility and value. Under the hood, this workhorse is powered by a robust 6.0L 8-cylinder engine paired with a rear-wheel-drive dual rear wheel (DRW) configuration, delivering the muscular performance necessary to support heavy payloads and demanding upfits. The 159-inch wheelbase provides a stable footprint for hauling, while the heavy-duty locking rear differential maximizes traction on challenging jobsites, loose terrain, or slick road surfaces. This hard-working powertrain and drivetrain setup ensures your operation retains maximum productivity and towing confidence no matter where the job site is located. Inside, the practical Neutral interior is tailored for workday efficiency and driver convenience. This model comes equipped with the Convenience Package, featuring a tilt-wheel steering column and (K34) cruise control to reduce fatigue on long highway stretches. Outside wide-stance sail panel mounted Velvac mirrors provide exceptional visibility around custom body upfits, while an AM/FM stereo audio system with a CD/MP3 player keeps drivers entertained on the go. Complete with an LT225/75R16E all-season blackwall spare tire for added job-site preparedness, this 2015 Chevrolet Express Cutaway 4500 is ready to go to work for your business today.
