Dealer notes

Eye-catching in Gray, our 2015 BMW i3 is the ultimate in modern, sustainable innovation! Driven by pure Electricity that can be charged in just three hours with a 220-volt outlet offering the equivalent of 170hp and takes you 80-100 miles with each charge. Agile and compact, this is the perfect emission-free, easily maneuverable vehicle for urban environments. The unique aesthetic of our i3 is sure to get you noticed as it embodies intelligent design. Every detail has been considered to optimize efficiency with large 19-inch wheels and aerodynamic details. The flowing silhouette is enhanced by a black belt that runs from the hood over the roof to the rear. Inside our i3, enjoy heated seats and natural fibers that have a sound-absorbing property that creates pleasant acoustics. The handsome steering column has key controls, including the instrument cluster and gearshift lever, and eliminates a center console. Enjoy the ease of navigation, a 6.5-inch instrument cluster screen, an 8.8-inch central display, available satellite radio, and a display for audio and climate controls as you and three passengers appreciate the agility of this spirited ride. Spectacularly innovative, our i3 is filled with advanced safety features, including stability/traction control, front-seat side airbags, full-length side curtain airbags, BMW Assist eCall and Remote Services, and parking sensors. This i3 hatchback is certainly the ultimate commuter, and being socially responsible has never looked so good! Save this Page and Call for Availability.
