CLEAN CLEAR TITLE – ONE OWNER – FRESH TRADE-IN – 54,225 MILES – AWD – SUN & SOUND PACKAGE – CERAMIC SILVER – 2023 Kia Stinger GT-Line Experience a sport sedan that genuinely stands apart with this sharp 2023 Kia Stinger GT-Line AWD, finished in beautiful Ceramic Silver over a premium Black leather interior with the Red Interior Color Package. With 54,225 miles, AWD capability, the turbocharged 2.5L engine, and desirable Sun & Sound Package, this Stinger combines fastback styling, performance, comfort, and everyday usability. Best of all, this is a CLEAN, CLEAR TITLE, ONE-OWNER vehicle with no major damage or accidents reported. It was traded in directly by its original owner, who drove it approximately 720 miles from Missouri to us—a great real-world testament to how nicely the car drives. We are also planning to install a new set of tires. This 2023 Kia Stinger GT-Line AWD has 54,225 miles and carries a CLEAN, CLEAR TITLE with no major damage or accidents reported. It has had ONE OWNER and was traded directly to us by its original owner. In fact, the owner drove the Stinger approximately 720 miles from Missouri before trading it in with us. The car made the trip and arrived as a very nice-driving vehicle. We're also planning on installing a new set of tires, adding even more value for the next owner. For transparency, the vehicle does have some added carbon-fiber exterior trim/panels, and some of those pieces are beginning to fade cosmetically. We want buyers to know that upfront rather than expecting cosmetic perfection. With its Ceramic Silver exterior, Red Interior Color Package, black leather, Sun & Sound Package, 300-horsepower turbocharged engine, AWD, clean-title history, and one-owner provenance, this is a seriously attractive Stinger for someone looking for a sport sedan that's different from everything else on the road. +P Be sure to check out our Facebook profile to see how many happy customers we've had!
