Dealer notes

CLEAN & CLEAR TITLE – 2019 Chevrolet Tahoe LT 4WD – 181,000 Miles – NO ACCIDENTS REPORTED – Vermont Vehicle – Priced Thousands Below Market If you're looking for a full-size V8 SUV at an affordable price point, this 2019 Chevrolet Tahoe LT 4WD offers a lot of vehicle for the money. Finished in Black over a Jet Black leather-appointed interior, this Tahoe combines the space, capability, and proven 5.3L V8 power that have made the Tahoe one of America's most popular full-size SUVs. This Tahoe has approximately 181,000 miles, a CLEAN & CLEAR TITLE, and NO ACCIDENTS REPORTED. It previously lived in Vermont and came to us as a trade-in. Most importantly, we're pricing it thousands of dollars below the market because we understand the mileage and cosmetic condition. We want buyers to have realistic expectations before making the trip: this is a 181,000-mile used SUV. It has cosmetic blemishes and normal wear and tear consistent with its age and mileage. It is not a brand-new Tahoe, and it should not be expected to look like one. Vehicle History & Condition CLEAN & CLEAR TITLE NO ACCIDENTS REPORTED Approximately 181,000 Miles Vermont Vehicle Fresh Trade-In Priced Thousands Below Market Cosmetic Blemishes Present Normal Age & Mileage-Related Wear 5.3L EcoTec3 V8 4WD LT Trim Black Exterior Jet Black Leather-Appointed Interior This Tahoe came to us as a trade-in, and we're offering it at an aggressive price based on its mileage and cosmetic condition. At approximately 181,000 miles, buyers should expect normal signs of use. That's already reflected in the price. Please Have Realistic Expectations We want to be completely upfront so there are no surprises and no wasted trips. This is a 2019 Tahoe with approximately 181,000 miles. It is priced thousands of dollars below the market, and there is a reason you're able to buy a 2019 Tahoe LT 4WD at this price point. It has cosmetic blemishes and normal wear and tear that you would reasonably expect from a vehicle with this mileage. Possible age- and mileage-related imperfections may include: Paint Imperfections Scratches Rock Chips Dings or Minor Dents Interior Wear Wheel Imperfections Exterior Blemishes Other Normal Signs of Use If you're expecting a flawless, showroom-condition Tahoe with 20,000 miles, this is not that vehicle. If you're looking for a clean-title, no-accident-reported, V8-powered Tahoe 4WD priced thousands below market and understand you're purchasing a 181K-mile used SUV, then this could represent an excellent value. Why This Vehicle Stands Out CLEAN & CLEAR TITLE NO ACCIDENTS REPORTED Priced Thousands Below Market 5.3L EcoTec3 V8 4WD LT Trim Black Exterior Jet Black Leather Interior Chevrolet Infotainment 8-Inch Touchscreen Navigation Three-Row Capability Full-Size SUV Fresh Trade-In Despite the mileage, you're still getting the fundamental things that make a Tahoe desirable: V8 power, 4WD capability, a large cabin, three-row versatility, and full-size SUV utility. Vermont Vehicle This Tahoe previously lived in Vermont. Because Vermont is a northern state where winter weather and road treatments are common, we encourage buyers to inspect the vehicle's current underbody and overall condition for themselves, just as we recommend with any higher-mileage northern vehicle. We're not trying to represent this as a rust-free Southern vehicle. We're simply giving buyers the history we have so they can make an informed decision. 181,000-Mile Vehicle Expectations At 181,000 miles, it's important to approach this Tahoe differently than a low-mileage example. Higher-mileage vehicles can require additional maintenance and repairs as they continue to age. No dealer can reasonably guarantee what a 181,000-mile vehicle will or won't need in the future. That's also why price matters. This Tahoe is being offered thousands of dollars below the market, allowing a buyer to get into a 2019 Tahoe LT 4WD for considerably less than many lower-mileage examples. We encourage prospective buyers to inspect it, drive it, and make sure its current condition meets their expectations.
