Dealer notes

Standing strong, our One Owner, Accident-Free, Low Mile 2023 Jeep Gladiator Mojave 4X4 with the Cold Weather Package is a serious utility vehicle with superior capability in Bright White! Powered by a 3.6 Liter Pentastar V6 delivering 285hp to an 8 Speed Automatic transmission. That helps make our Four Wheel Drive truck a desert-rated dynamo with FOX internal-bypass shocks, a one-inch front lift kit, a locking rear differential, and heavy-duty Dana axles; plus, it sees nearly 22mpg on the highway. Our Gladiator also has a bold and imposing look with exclusive graphics, a dual-vented hood, rock rails, skid plates, fog lamps, heated power mirrors, alloy wheels, orange tow hooks, a padded sport bar, spray-on Bedliner, and a removable soft top. Our Mojave cabin helps add comfort to your next adventure with supportive heated leather seats, a heated competition-style leather-wrapped steering wheel, cruise control, remote start, automatic temperature control, and keyless access/ignition. Commanding technology highlights include an 8.4-inch touchscreen, Off-Road Info pages, full-color navigation, Android Auto®/Apple CarPlay®, Bluetooth®, and Alpine audio. You won't find this kind of interior in typical trucks! Jeep supports safer journeys with a rearview camera, ABS, stability/traction control, hill-start assist, tire-pressure monitoring, advanced multistage front airbags, trailer-sway control, and more. Our Gladiator Mojave is a top-notch towing machine, too! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
