Interior colour: BLACK
Body type: Truck
Fuel economy: — city / — highway MPG
Dealer: Whitten Auto Center, Petersburg, Virginia 23805
Dealer phone: (804) 748-3355

Dealer notes

This black 2023 Toyota Tundra 4WD is the kind of truck that shows up ready whether your day involves jobsite grit, weekend gear, or a trailer that needs a confident hand. Under the hood, a 3.4L V6 hybrid i-FORCE MAX with twin turbos teams up with an electric motor for punchy power and smart efficiency, backed by a 10-speed automatic with driver-selectable modes and TOW/HAUL logic that keeps things calm when the load gets serious. Built as a real truck, it brings part-time four-wheel drive with an electronic transfer case, hill-hold confidence, and the kind of braking and stability help you'll appreciate when roads (or weather) get unpredictable. When it's time to hitch up, Class IV towing equipment, a brake controller, trailer sway control, and a wiring harness are ready to go. Inside, it's comfortable without losing its rugged edge: heated and ventilated front bucket seats, dual-zone automatic climate control, a power rear window, and a tech-forward cockpit with navigation, real-time traffic, and a crisp multi-speaker sound system. Safety and awareness are well represented too, with features like dynamic radar cruise control, lane tracing assist, pre-collision support, and parking sensors. And for extra peace of mind: a CARFAX report is available for this used Tundra. At Montage Motors LLC quality is never compromised; we only sell hand-picked high-quality used cars, trucks, & SUV's. For our customer's peace of mind we offer: A Free Carfax Vehicle Report available on every vehicle.
