Dealer notes

2021 Chrysler Pacifica Hybrid Touring L – 85,168 Miles Finished in Velvet Red Pearlcoat over Black/Alloy perforated leather-trimmed bucket seats with an anodized silver instrument-panel bezel and Liquid Titanium accents, this Pacifica combines plug-in hybrid power, three-row seating and family-focused convenience. Power sliding rear doors and a power liftgate make passenger and cargo access easier. The 3.6L V6 hybrid powertrain pairs with an eFlite SI-EVT transmission and front-wheel drive. Strut front and trailing-arm rear suspension, gas-pressure shock absorbers and electric power-assisted steering form its driving setup. Regenerative four-wheel disc brakes recover energy during deceleration, and a 6.6 kW onboard charger supports plug-in charging. Originally priced at $48,485 including shipping, this Pacifica includes the $975 Uconnect 5 Navigation system with a 10.1-inch display. The VIN-specific label also lists the Premium & Safety Sphere Group, Velvet Red Pearlcoat paint, perforated leather-trimmed seating and cabin trim selections at no additional charge. The cabin features heated power front seats, a heated leather steering wheel, 13 Alpine speakers with a 506-watt amplifier, Apple CarPlay, Android Auto and dual-zone automatic climate control with rear controls. Second-row captain's chairs and a folding third row provide seating flexibility. Adaptive cruise control, an aerial-view camera system, ParkView backup camera, front and rear parking sensors, blind-spot detection, rear cross-path detection, Lane Departure Warning-Plus and Forward Collision Warning-Plus add assistance. For buyers seeking a plug-in hybrid minivan with flexible seating, navigation and useful parking technology, this Pacifica brings those priorities together. VIN: 2C4RC1L72MR599623.
