Dealer notes

Fully serviced and ready to go! 1999 Isuzu Trooper. ONLY 78K MILES! TWO OWNER, Southern-owned, and an incredibly hard-to-find survivor from the golden age of real Japanese SUVs. This top-of-the-line Trooper is remarkably clean, nicely equipped, and has the tall, boxy styling and genuine old-school utility that made these so distinctive. With only 78k miles and one owner from new, finding another comparable Trooper is getting harder every year. It runs and drives beautifully, has cold A/C, and has already been fully serviced at our 5 star repair shop Turnage Auto Care. They used to be everywhere. Now finding one like this is an event. *New Arrival price may adjust with our investment in repairs and maintenance.. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle.
