Dealer notes

NO SIDE OR REAR CARGO WINDOWS / BALANCE OF 5 YEAR 60K WARRANTY / ONE OWNER If you are looking for a highly capable, efficient, and maneuverable commercial vehicle to elevate your business operations, this 2022 Ford Transit Connect Van XL LWB with Rear Symmetrical Doors is the perfect solution. Finished in a clean, professional Frozen White exterior with a durable Ebony interior, this long-wheelbase cargo van is designed to navigate tight city streets with ease while presenting a polished image to your clients. Built for trade professionals, delivery services, and small businesses alike, this versatile van offers the ideal footprint for urban logistics without compromising on cargo capability. Under the hood, the 2022 Ford Transit Connect is powered by an efficient 2.0L 4-cylinder engine that delivers a smart balance of daily-driving power and excellent fuel economy to keep your operating costs low. The Long Wheelbase (LWB) configuration maximizes your available cargo volume, allowing you to haul tools, equipment, or deliveries with confidence. Loading and unloading are made incredibly efficient thanks to the rear symmetrical doors, which open wide to provide unrestricted access to the rear cargo area, making it easy to load pallets or organize your gear even in tight parking spaces. Inside the cabin, this utility-focused van is equipped with thoughtful features designed to enhance driver comfort and convenience during long workdays. Drivers will appreciate the 6-way manual driver seat paired with a 4-way manual passenger seat to find the perfect riding position, while cruise control helps reduce fatigue on highway transits. Staying connected and safe on the go is simple with the SYNC 3 radio system (without navigation) and the added safety of a built-in reverse sensing system to prevent low-speed parking mishaps. Complete with black power-adjustable heated mirrors with manual fold functionality to ensure clear visibility in cold weather, this reliable cargo van is ready to become the hardest-working asset in your fleet.
