Dealer notes

This 1969 Toyota FJ40 Land Cruiser wears flat gray paint with a removable black vinyl top, blending vintage charm with practical upgrades. An older restoration, it shows minor paint imperfections and a few aged repairs, but the character suits this rugged icon. It rides on 15-inch wheels with solid rubber, equally at home on pavement or the trail. Power comes from a Chevy 327 CID V8 mated to a 4-speed manual, a straightforward, reliable setup. The transfer case offers 2WD High, 4x4 High, and Low to tackle varied terrain. Performance is boosted by four-wheel disc brakes, fresh wheel bearings, and High Country shocks for improved control and confidence. Inside, modern, comfortable front seats and updated belt harnesses complement the cabin. At the same time, the dash keeps its classic look with newer Omega Kustom gauges and USB power outlets. Rear seats are included but will need to be mounted. With collector interest on the rise, this FJ40 is both a capable driver and a smart, adventure-ready classic. Call for details.
