Dealer notes

The 2012 GMC Yukon Denali AWD is a premium full-size SUV that combines strong V8 performance, upscale comfort, and impressive everyday capability. Powered by a 6.2-liter V8 engine producing 403 horsepower and 417 lb-ft of torque, this Yukon delivers confident acceleration and plenty of strength for highway driving, towing, and family travel. Paired with an automatic transmission and all-wheel drive, it offers dependable traction and a smooth, composed ride in a wide range of driving conditions. With 183,285 miles, this Yukon Denali continues to offer the durability, power, and versatility that have made it a respected choice in the full-size luxury SUV market. The Denali trim adds a more refined and upscale feel to the Yukon's bold exterior design, with a spacious cabin focused on comfort and convenience. Its four-door SUV layout provides generous room for passengers and cargo, making it well suited for families, road trips, or anyone needing substantial interior space without giving up premium appointments. Combining 6.2-liter V8 power, all-wheel drive confidence, luxury-focused Denali styling, and full-size SUV practicality, the 2012 GMC Yukon Denali is a capable and well-rounded vehicle ready for its next owner.
