Dealer notes

Low Roof versatility. 130-inch wheelbase. Limited-slip rear axle. This well-maintained 2019 Ford Transit T-250 Low Roof Cargo Van features Blue Jeans Metallic paint, a Pewter interior, and a practical 130-inch wheelbase. Its lower roof height makes it well suited to commercial routes with height restrictions, while the right-side sliding door provides convenient access to tools and supplies. Clean CARFAX, no accidents or damage reported. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The 3.7L V6 produces 275 horsepower and 260 lb-ft of torque, paired with a 6-speed automatic transmission and Rear-Wheel Drive. A 3.73 limited-slip rear axle helps maintain traction when driving on uneven or slippery surfaces. The cargo area features durable vinyl flooring and full-height load-area protection, providing practical surfaces for daily commercial use. Its enclosed layout accommodates compatible shelving, equipment storage, and business-specific upfits. Driver conveniences include cruise control, Bluetooth connectivity, and AM/FM audio. Lane Keeping Alert with Driver Alert provides additional assistance during longer drives. The CARFAX documents nine service history records, including oil changes, brake inspections, and routine maintenance. More recent work includes air-conditioning service, replacement of the A/C evaporator and upper radiator hose in August 2025, and a January 2026 safety inspection. Adam Auto Group also performed a multi-point inspection, checked all fluids, and completed a fresh oil and filter change in preparation for sale. For contractors, delivery services, and fleet operators seeking a maneuverable commercial van with practical cargo access and documented maintenance, this Transit offers a straightforward solution for everyday business needs.

Frequently Asked Questions Q: What is the advantage of the Low Roof configuration? A: Its lower overall height can make access easier in covered loading areas, parking structures, and other height-restricted locations. Always verify posted clearances. Q: What does the limited-slip rear axle do? A: It helps distribute torque between the rear wheels when one begins losing traction. Q: Can this Transit accommodate commercial shelving? A: Yes. Compatible shelving and storage systems can be installed to organize tools, parts, and supplies. Local Availability See this 2019 Ford Transit T-250 Low Roof Cargo Van at Adam Auto Group in Crestwood, IL, just south of I-294 on Cicero Avenue. Call (708) 972-7914 to confirm availability today.
