Dealer notes

2015 Honda Civic EX Sedan- One of the most popular cars on the road and for good reason! The Civic is known to be one of the longest lasting and reliable cars on the market! This Civic may have some miles, but it runs and drives very well! The paint and body on this car are in average condition. It has a dent right above the drivers rear window and the truck lid has a few dents in it. Drivers side rear door has some scratches, but the rest of the cars paint does look good. The interior is in very good condition. It has the backup camer and moonroof! This is the car most kids want and their parents usually agree! You don't have to worry about the first ding or scratch, but still a very nice car! You are welcome to have a local mechanic inspect the vehicle prior to purchase. Some mechanical and cosmetic faults can be expected in a used vehicle. Buyer is responsible for any repairs. Buyer is responsible for verifying information and condition.
