Dealer notes

STATE CERTIFIED REBUILT TITLE – 2021 Dodge Durango SRT 392 AWD – 43,032 Miles – NO ACCIDENTS – 6.4L HEMI V8 – Excellent Service History – Black Package This 2021 Dodge Durango SRT 392 AWD delivers the perfect combination of American V8 muscle, three-row SUV versatility, and aggressive SRT styling. Finished in Granite Clearcoat over a Black interior, it stands out even further with Mopar dual stripes in Gunmetal Low Gloss and the sinister exterior accents of the Black Package. With only 43,032 miles, a powerful 6.4L 392 HEMI V8, AWD, a power sunroof, and an amazing on-time service history, this Durango offers serious performance while remaining practical enough to enjoy every day. Vehicle History & Condition This Durango carries a State Certified Rebuilt Title due to a previous vandalism/theft-related incident, not a collision. According to its history: 43,032 Miles NO Accident History Vandalism/Theft-Related Loss Exterior Body Parts Were Stolen No Collision Caused the Rebuilt Title Excellent On-Time Service History Repaired, Inspected & State Certified The vehicle was not rebuilt because of traditional collision damage. Certain exterior body components were stolen during the vandalism incident, which ultimately resulted in the insurance/title history. This distinction is important for buyers comparing rebuilt-title vehicles, and we are fully disclosing the circumstances behind the title. Why This Durango Stands Out The SRT 392 is a completely different experience from a standard Durango. Its naturally aspirated 6.4L HEMI V8 provides the power, sound, and immediate throttle response enthusiasts expect from an SRT product. This particular example becomes even more attractive with its Black Package, Mopar dual stripes, power sunroof, low mileage, and documented on-time service history. Most importantly, its rebuilt-title history stems from vandalism and stolen exterior components rather than an accident, giving buyers a very different history to consider compared with a collision-rebuilt performance SUV. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This Durango carries a State Certified Rebuilt Title due to a previous vandalism/theft-related loss in which exterior body components were stolen. There is no reported accident history associated with the rebuilt-title event. The vehicle was subsequently repaired and completed the required state inspection and certification process. Its title history is reflected in the selling price, providing an opportunity to purchase a 43,032-mile 2021 Dodge Durango SRT 392 AWD with a 6.4L HEMI V8, Black Package, power sunroof, and excellent service history at an attractive value.
