Dealer notes

Discover the future of driving with this pristine, Carfax 1-Owner 2023 Tesla Model 3 RWD. Finished in a sophisticated Gray exterior that perfectly complements its aerodynamic, modern design, this highly sought-after electric sedan offers an exceptional opportunity for eco-conscious buyers and tech-forward drivers alike. Inside, you are welcomed by a clean, minimalist Black interior that delivers an elevated and serene driving environment. Choosing a single-owner vehicle means purchasing with added confidence, knowing this vehicle has been cared for and represents the peak of modern electric vehicle technology. Engineered for an engaging and highly efficient drive, the 2023 Tesla Model 3 RWD features a rear-wheel-drive configuration that delivers crisp handling, precise steering, and spirited acceleration. Because this is a fully electric vehicle, there are zero cylinders to worry about, providing instant torque and a whisper-quiet cabin experience without ever needing a trip to the gas station. The low center of gravity, courtesy of the floor-mounted battery pack, ensures exceptional stability on both daily commutes and spirited highway journeys, making every drive as rewarding as it is efficient. Step inside the cabin to experience the cutting-edge technology that defines the Model 3 lineup. The minimalist Black interior centers around Tesla's signature expansive touchscreen interface, which seamlessly controls navigation, entertainment, and vehicle settings. Standard comforts like dual-zone automatic climate control, power-adjustable front seats, and an expansive glass roof enhance passenger comfort and create an open, airy feel throughout the cabin. With its striking Gray styling, verified Carfax 1-Owner history, and efficient rear-wheel-drive powertrain, this electric sedan is ready to elevate your daily drive.
