### Dealer notes

Dressed in a striking Blue, this 2023 Audi A4 sedan brings a perfect mix of everyday refinement and take-the-long-way-home energy. Under the hood, its responsive 2.0L turbocharged 4-cylinder pairs with a quick-shifting 7-speed S tronic transmission and driver-selectable modes, so it can feel relaxed on commutes and eager when the road opens up. Full-time AWD helps keep traction confident when weather turns unpredictable, while the sport-tuned suspension, speed-sensing steering, and strong 4-wheel disc brakes make curves feel like an invitation, not a chore. Inside, its thoughtfully designed for real life: supportive front seating, a versatile 40/20/40 folding rear seat for extra cargo flexibility, and a premium feel thanks to genuine wood and piano-black accents. Let the daylight in with the sliding/tilting glass sunroof, then settle into your soundtrack with a rich 19-speaker audio system. You'll also appreciate the smart touches like rain-sensing wipers with heated jets, an auto-dimming rearview mirror, HomeLink, and convenient key fob controls. Safety tech is on your side too, with Audi pre sense basic and forward collision mitigation. And for extra peace of mind, a CARFAX report is available for this A4.
