Dealer notes

2014 RANGE ROVER AUTOBIOGRAPHY | 510 HP SUPERCHARGED V8 | REAR ENTERTAINMENT | MERIDIAN AUDIO | FUJI WHITE Topline Auto Group is proud to present this beautifully appointed 2014 Land Rover Range Rover Supercharged Autobiography, finished in elegant Fuji White over a sophisticated Black leather interior. Representing the pinnacle of Range Rover luxury and refinement, the Autobiography combines exceptional British craftsmanship, commanding performance, advanced four-wheel-drive capability, and premium comfort in one distinguished flagship SUV. Under the hood sits a powerful 5.0-liter supercharged V8 producing 510 horsepower and 461 lb-ft of torque, paired with a smooth-shifting 8-speed automatic transmission and Land Rover's sophisticated full-time four-wheel-drive system. This impressive powertrain delivers effortless acceleration, refined highway performance, and confident capability across a wide variety of driving conditions. The stunning Fuji White exterior highlights the Range Rover's timeless design, distinctive front grille, elegant body lines, signature lighting, and commanding stance. Its refined proportions create an unmistakable presence while maintaining the understated elegance associated with the Autobiography name. Inside, the premium Black leather cabin showcases exceptional craftsmanship with soft leather appointments, elegant interior accents, and thoughtfully designed seating that prioritizes both driver and passenger comfort. Desirable luxury features include heated and ventilated seating, heated steering wheel, panoramic glass roof, premium Meridian audio, and rear-seat entertainment, providing a first-class experience for both daily driving and extended journeys. The Autobiography's advanced air suspension delivers exceptional ride comfort while offering adjustable ride height for changing road conditions. Additional conveniences include navigation, Bluetooth connectivity, keyless entry and start, a power-operated tailgate, and multiple camera views to assist with parking and maneuvering. Driver-assistance features advertised for this vehicle include Adaptive Cruise Control, Blind Spot Monitoring, front and rear parking assistance, and automatic emergency braking. With its powerful supercharged V8, luxurious Autobiography interior, advanced four-wheel-drive technology, and timeless Fuji White exterior, this Range Rover offers an exceptional combination of performance, sophistication, and everyday versatility.
