Dealer notes

Slip into this maroon 2018 Lincoln MKX and you'll see why it's such an easy SUV to enjoy. Equal parts confident, comfortable, and quietly quick. Under the hood, the 3.7L Ti-VCT V6 brings smooth, ready power, paired with an automatic transmission and full-time AWD that helps you feel planted when the weather (or the road) gets unpredictable. The ride stays composed thanks to adaptive suspension, while 4-wheel ABS disc brakes with hill hold add extra reassurance in everyday driving. Inside, the brown leather cabin feels like a cozy lounge on wheels, with tasteful wood- and metal-look accents and the kind of thoughtful touches that make errands feel less like chores. Open up the big glass sunroof to let the light in, queue up your favorite playlist with Bluetooth streaming through a 10-speaker audio system, and let the dual-zone automatic climate control keep everyone happy. Practicality is covered, too: a power liftgate for quick cargo access, concealed storage in the rear, and handy charging options with multiple 12V outlets. For peace of mind, it also includes blind spot monitoring and rear collision warning and a CARFAX report is available so you can check out its history before you take the next step.
