Dealer notes

The 2024 Kia EV9 Wind AWD, with its striking Aurora Black Pearl exterior, embodies a sleek and commanding presence on the road. The bold all-wheel drive configuration ensures superior handling and control, making it adept at navigating various terrains and weather conditions. Designed for eco-conscious drivers, the EV9's zero-cylinder engine encapsulates the future of efficient electric propulsion, combining power, performance, and sustainability. Inside, the cabin is adorned in a sophisticated Light Gray finish, creating an inviting atmosphere for every journey. Accommodating up to seven passengers, this vehicle is both spacious and versatile, enhanced by the thoughtful inclusion of a cargo net hybrid/dual (2-position). Further optimizing space, the folding cargo tray provides adaptable storage solutions, catering to a range of transportation needs. Carpeted floor mats add a touch of luxury and comfort, ensuring that both function and aesthetics are prioritized. Among its impressive array of features, the Kia EV9 Wind AWD incorporates state-of-the-art technology with a digital key card, enhancing convenience and security for the modern driver. The meticulous integration of these innovative elements advances Kia's commitment to blending practicality with innovation. From its striking exterior to its technologically refined interior, the 2024 Kia EV9 embodies the pinnacle of electric automotive design. This vehicle is not just about mobility; it is about redefining the driving experience.
