Body type: Convertible

Fuel economy: — city / — highway MPG

Dealer: The Car Lot, Tucson, AZ 85712

Dealer phone: 520-544-8544

Dealer notes

IMPORTANT ODOMETER DISCLOSURE — PLEASE READ This vehicle's title is marked "ODOMETER EXEMPT" due to its age. Under federal odometer disclosure regulations, vehicles of this model year are exempt from mandatory mileage certification. This is a standard legal designation for older vehicles and does not automatically mean the mileage is inaccurate, altered, or rolled back. What does this mean? It simply means the mileage is not legally certified on the title. It does not necessarily indicate any problem with the vehicle's odometer or mileage history. The good news: This vehicle has a consistent mileage history documented by CARFAX, with no reported mileage discrepancies. The recorded mileage history supports the vehicle's current odometer reading. At The Car Lot, we believe in complete transparency. We want our customers to understand that the EXEMPT designation is related to the vehicle's age, not a reported mileage discrepancy. A complete CARFAX vehicle history report is available for your review. Experience the thrill of open-air driving with this stunning 2001 Honda S2000 2dr Conv. Finished in the vibrant and highly sought-after Spa Yellow Pearl exterior paint, this iconic roadster captures attention from every angle. Perfectly blending aggressive styling with timeless sports car proportions, this convertible represents a high watermark for automotive enthusiasts. Inside, the focused Black interior offers a clean, driver-centric cockpit designed to minimize distractions and maximize your connection to the open road. At the heart of this 2001 Honda S2000 is its legendary, high-revving 2.0L 4-cylinder engine, mated to a precise manual transmission that puts absolute control at your fingertips. Delivering power directly to the rear wheels, this powertrain is celebrated for its linear power delivery and race-bred engineering. Combined with a lightweight chassis and near-perfect front-to-rear weight distribution, this sports car offers razor-sharp handling and cornering agility that remains a benchmark for the automotive industry. Designed with pure driving pleasure in mind, this roadster features supportive leather-trimmed bucket seats and a distinctive digital instrument cluster inspired by Formula 1 racing. The power-operated convertible soft top lowers quickly, allowing you to easily transition to open-air cruising and take in the exhilarating sound of the naturally aspirated engine. Whether you are a dedicated collector looking for an iconic modern classic or an enthusiast seeking an uncompromised driving experience, this Spa Yellow Pearl 2001 Honda S2000 is ready to elevate your garage.
