Dealer notes

Elevate your daily drive and weekend adventures with the stunning 2024 GMC Sierra 1500 4WD Crew Cab 147" Elevation. Wrapped in a sophisticated Sterling Metallic exterior, this light-duty pickup commands attention on any road, seamlessly blending rugged capability with a refined aesthetic. The bold exterior styling is perfectly complemented by the LPO Elevation Black Package, which adds dark, aggressive accents that emphasize the truck's commanding stance. Inside, the spacious Crew Cab configuration features a premium Jet Black interior, offering a modern, comfortable environment designed to meet the demands of both work and play. Beneath the hood, this 2024 GMC Sierra 1500 delivers exceptional capability and efficiency thanks to the highly acclaimed Duramax 3.0L Turbo-Diesel I6 engine. Engineered to handle demanding towing tasks and heavy payloads, this advanced powertrain works in perfect harmony with the robust Four Wheel Drive system to provide confident traction in diverse driving conditions. For those who crave off-beaten-path exploration, the equipped X31 Off-Road Package elevates its utility with specialized hardware designed to conquer rugged terrain, making this Elevation model as capable on remote trails as it is smooth on the highway. Inside the cabin, convenience and comfort take center stage with supportive front bucket seats that provide an ergonomic driving position for long journeys. The inclusion of the Preferred Package further enhances your ownership experience, bringing a curated selection of premium amenities and intuitive technologies that make every drive more connected and enjoyable. With its potent diesel performance, striking blacked-out accents, and versatile off-road capabilities, this 2024 GMC Sierra 1500 Elevation stands as the ultimate choice for truck buyers who refuse to compromise on style, capability, or comfort.
